MISSION OF ATC

ATC was established in 1985 with a vision to equip believers who have a call of God on their lives to be effective ministers of the Gospel. ATC seeks to impart vision for missions and evangelism so that its graduates will be prepared either to go forth as missionaries themselves, or to raise missions-giving and missionary-sending churches.

ATC is a learning resource where ministers can develop the leadership gifts of apostle, prophet, evangelist and pastor-teacher to equip "...the saints for the work of service, to the building up of the Body of Christ..." (Ephesians 4:12).

ATC's essential mission therefore is to provide, in a charismatic Christian context, advanced educational opportunity which will enable the students:

- To develop academically through enhanced and deepened biblical and theological understanding.
- To develop personal gifts and ministerial skills in preparation for ministry to the Lord, His Church, and the world.
- To enrich their personal preparation for participation in the fulfilment of the Great Commission, propagating the Christian faith whenever and wherever God may place them.
